

**ANNOUNCING OUR NEW
DISTRIBUTION FACILITY IN
BIRMINGHAM, ALABAMA**

HARTZELL FAN PROVIDES FANS FROM STOCK AS WELL AS CUSTOM BUILT FANS TAILORED TO YOUR EXACT NEEDS.

We build every one of our industrial fans on a foundation of quality and performance. All fans are factory tested and operated before they are shipped. Why? Because we understand how important virtually maintenance-free operation is to you. That's why Hartzell Fan delivers durability, optimum efficiency and maximum energy savings: for industry-leading value.

We also offer one of the most complete AMCA-certified industrial product lines available anywhere. It's a selection that means longer service life – and superior performance – for even the most demanding industrial applications. In fact, whatever your air moving challenge may be, Hartzell Fan is your solution solving company.

See for yourself why Hartzell fans are Chosen First, to Last. Call us today at 1.800.336.3267, or visit us at www.hartzellfan.com.
